Tragic Auto Accident

Roy Herbert Gripp Loses Life
When Car Overturns

Shortly after midnight, Saturday, Clarence Gripp and his brother Roy, started home in a Ford run-about. Just over a mile south of town the car overturned and Roy was killed in the smash. Clarence, who miraculously escaped any serious injury was stunned when thrown from the car.

The scene of the accident was visited by Dr. Swartzlander (coroner) and the provincial police on Sunday morning, and an inquest was held on Monday.

A funeral service, was conducted in Oyen Union Church on Monday, by Rev. C.R. Corcoran, at 5.30 p.m. The church, in which a beautiful display of flowers had been arranged by the Women's Institute, was taxed to capacity, and many who came to pay their last respects to the deceased had to stand in the vestibule and on the side-walk. Following the church service the cortege proceeded to Oyen Cemetery, where interment was made.

The following gentlemen acted as pall bearers: Charles Sweeney, Charles Nelson, George Cooper, George Nelson, P.A. Watrin and Sam Bowen.

Roy Herbert Gripp, who was born in the state of North Dakota, on September 21, 1906, came with his parents to this district in 1912. He is survived by his parents, Mr. and Mrs. John Gripp; two brothers, Clarence and three sisters, Helen, Leone and Mrs. A. V. Sullivan.

The heartfelt sympathy of the entire community is extended to Mr. and Mrs. Gripp and family in their sad loss.

A total of 13,743 Canadians, most of them native born, have been repatriated from United States during the months of April, May and June, according to figures announced by the Department of Immigration at Ottawa. Total immigration to Canada for the above three months was 53,245 an increase of 12,502 over the same period of last year.

New rural municipal hospital districts continue to be organized in the province. The latest is at Westlock, northwest of Edmonton, where a vote of the ratepayers will take place August 8. There are now 15 of these hospital districts operating in the province, and serving a total population of 155,000 or about one-third of the rural population of the province.

A greater demand than ever before for Alberta Government Savings Certificates has developed this year, which is evidence that there is considerable surplus money in the province. So great have been the purchases of these certificates by the investing public that it is likely no more debutantes will be required the present year to finance the government's affairs. The small denominations of the certificates are popular, and there are many purchasers of these. As an indication of improved financial conditions in the province also some of the larger purchasers include Alberta school districts and municipalities.

Shipments of Alberta creamery
butter continue to be for-
warded direct from Alberta
producers to the British market.
This movement assumed some
proportions last year, and the
marketing of the butter direct
by the Alberta manufacturers
proved very satisfactory. Re-
cently three carloads left Ed-
monton for the old country,
and other shipments have been
made from Calgary. The in-
creasing popularity of the Al-
berta product on the British
markets was demonstrated by
Hon. Geo. Headley, who on
his return from
Britain, brought back with him
offers to handle large quantities
of Alberta butter, provided the
supply could be made contin-
uous throughout the year. This
is a problem which is being
taken under consideration.

"The Benton Valley Women's"
Institute entertained the Grand-
mothers of the community at
the home of Mrs. John Reed on
Thursday, July 31.

Owing to rainy weather only
four "Guests of Honor" were
present. The meeting was
called to order with the pres-
ident Mrs. Grant in the chair,
and all read the creed. After
a few items of business, mem-
bers answered the roll call with
quotations from their favorite
author and then the guests
were asked for their.

Violin selections by Mr.
Arthur Grant were much ap-
preciated. These were fol-
lowed by some good community
singing. The next part of the
program was a talk by Mrs.
Gray, of Sibbald, on "Some of
the Beauty Spots in Scotland,"
illustrated by photographs.

Refreshments of ice cream,
cake and tea were served to the
twenty ladies and the numerous
little folk who made up the
party. Snap shots were taken
of the whole group and the
"Grandmothers" to commemo-
rate the occasion.
